

Lake Erie Conference
April 13, 2018
WW Knight Center
Perrysburg, Ohio

The Lake Erie 2018 Conference covers the Western/Central Basin Lake Erie Watersheds. Lake Erie had another record breaking algae year in 2017. Five of the last seven years were the largest blooms in Lake Erie's history. It is clear that dollars spent are not getting enough nutrient reduction results.

When : Friday, April 13, 2017 9:00a.m. – 3:00 p.m.

Where: W.W. Knight Preserve 29530 White Rd. Perrysburg, Ohio 43551

Who: Government staff, Fishermen, Farmers, Boaters, Businessmen, Teachers, and the Public

On Line Registration at lakeeriefoundation.org
